- Turn in the signed unit test

During Math Class

Good morning class! Today we are going to learn what is rate and ratio. Please take your notebook out, and write down the date, title, and learning objectives for today. When you are writing, please have your homework on the side, I will come and do the HW check.

$$2+2=4$$

During HW Check...

Ben, would you like to show me your HW?

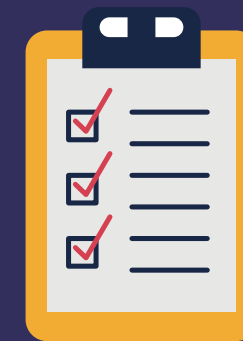

Teacher, what are we going to do today? Teacher, what is rate and ratio?

The teacher took Ben's notebook and checked...

Ben, where is your homework? I will mark you incomplete, remind to show me your homework next class

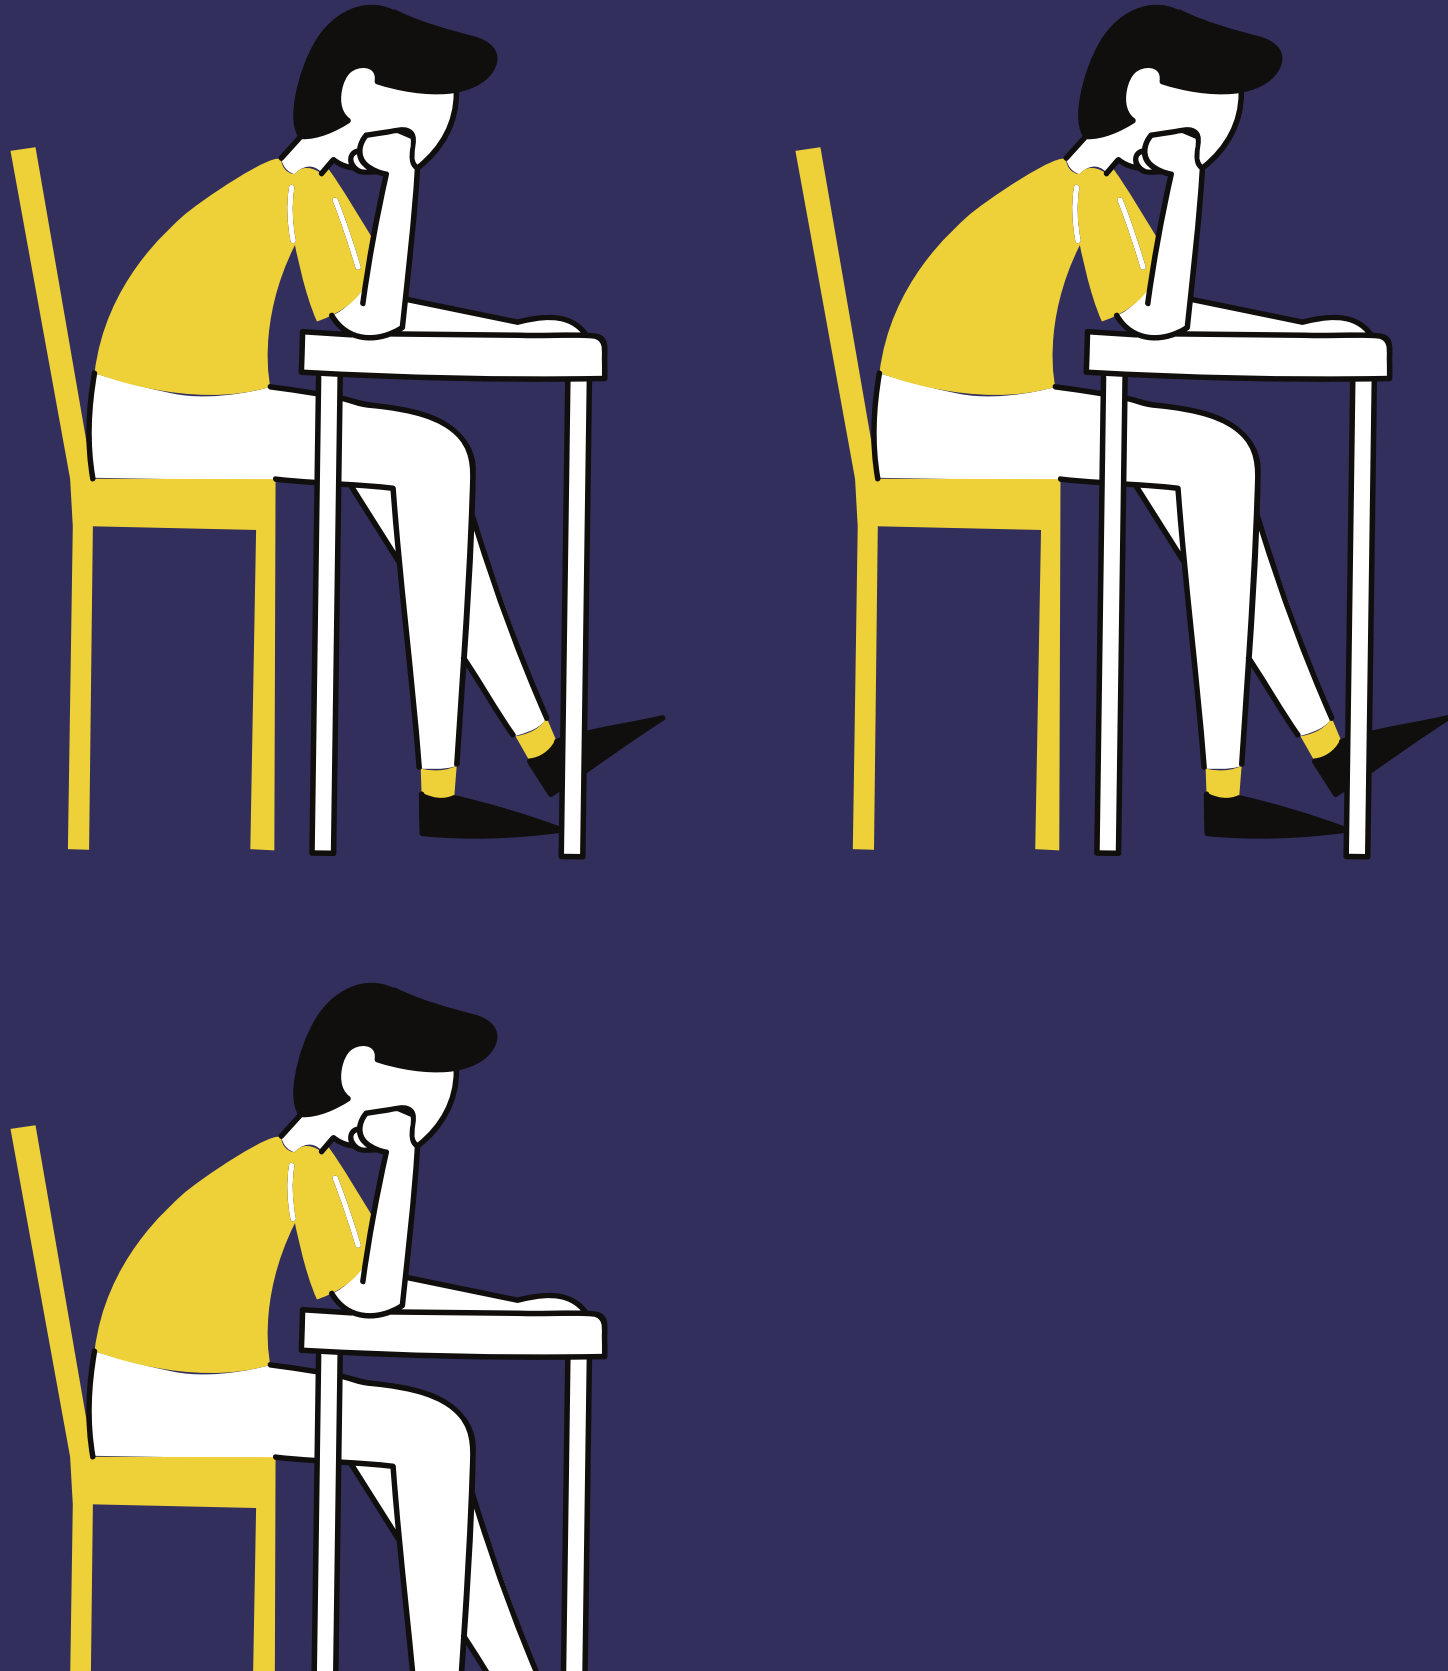

NO!!! DON'T MARK ME INCOMPLETE!!! YOU CAN'T DO THIS !!!

Ben took the teacher's clipboard

During class...

Peter, show me your answer!

Jay, what is the answer for this question?

Mike, I like your pencil!!!

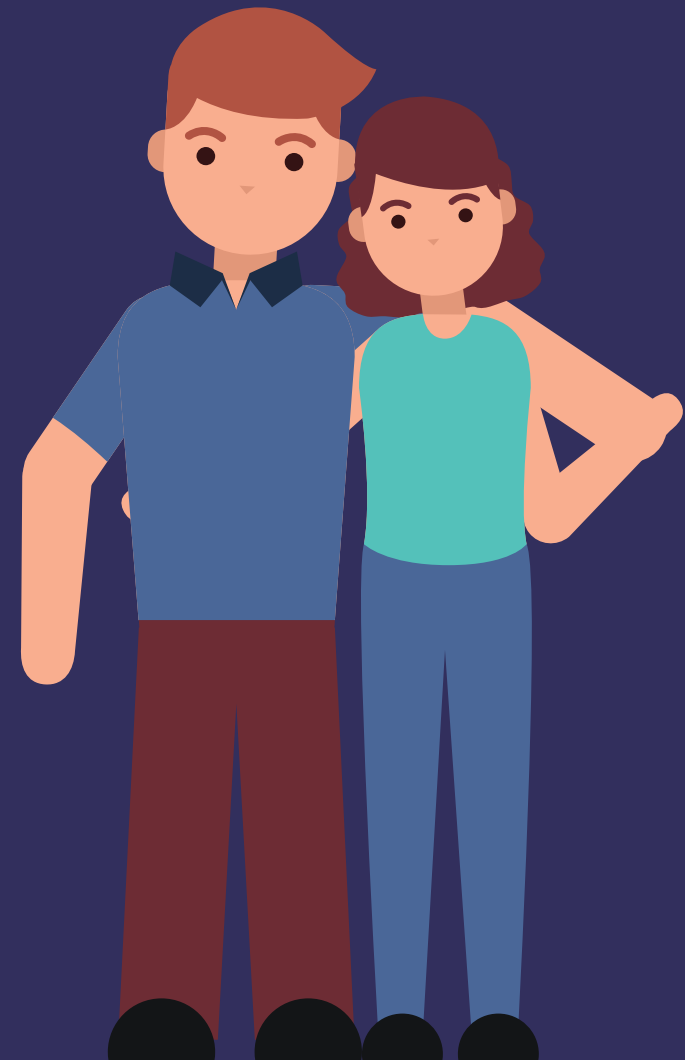

Ben pushed students who refused to tell him answers or remind him stop talking when the teacher is talking.

The teacher asks other subject teachers if they feel the same about Ben, and report to the learning support teacher and school counsellor for screening in order to provide professional diagnosis and suggestions to the parents.

During parents meeting...

- Address specific concerns and provide facts of Ben's performance and misbehaviour.
- Provide academic reports to Ben's parents.
- Avoid giving Ben's parents the impression to be blamed for his misbehaviour, but also stands the position that Ben needs extra help in classes to support his learning progress.
- Ask for collaboration and support from Ben's parents.

During parents meeting...

Hi, I am Ben's subject teacher. Based on our observation we realized that Ben is struggling in the courses he is taking. Here is his academic report.

Also, we are sorry to say that we investigated that Ben has some behavioral problems, we would suggest if you agree to do further diagnosis and apply for learning support service if possible...

Our school and faculty team hope to maximize students' learning experiences, but we appreciate getting support from parents as well. Would you pay attention to Ben's ...
